

THE ALLIANCE FOR SCIENCE

www.allianceforscience.org

Public Meeting

Featuring

Dr. Connie Bertka

Program Director, American Association for the Advancement of Science
(AAAS) Program of Dialogue on Science, Ethics, and Religion (DoSER)

Evolution, Scientists and Religious Communities

This presentation will discuss efforts on the part of the AAAS Program of Dialogue on Science, Ethics, and Religion to proactively engage religious communities around the issue of teaching evolution.

Dr. Bertka received her Ph.D. in Geology from Arizona State University in 1991. She was a Senior Research Associate at the Geophysical Laboratory of the Carnegie Institution of Washington from 1993 to 2000. She also holds a Master of Theological Studies degree from Wesley Theological Seminary in Washington, DC.

THURSDAY, May 3

7:30 to 9:00 PM

FOUNDRY UNITED METHODIST CHURCH

1500 16th Street, NW

Washington, DC 20036

Nearest Metro Stop: Dupont Circle, on Red Line; walk east on P St. to 16th St.
Parking garage (at charge) available on P St., across from the church

The program is free of charge and is open to the public.

The mission of the Alliance for Science is to achieve public understanding and support for science, and to preserve the separation of science and religion in the public sphere.
